

Questionnaire parents

Date:

Person interviewed: mother / father

family composition:

Father (age):

Mother (age):

Children (names and ages):

Check of the feelings/thoughts you do have regularly:

We talk at home about how we feel concerning the different languages.

Often – sometimes – never

The language use at home evokes tensions.

Often – sometimes – never

I experience pressure to use my mother tongue more.

Often – sometimes – never

I experience pressure to use the school language more.

Often – sometimes – never

I find it annoying when the children use a language among each other I don't understand.

Often – sometimes – never

My children refuse to speak my mother tongue in some situations

Often – sometimes – never

At home, we mix different languages when we talk to each other.

Often – sometimes – never

Do you have specific experiences or remarks you want to make?

Do you remember specific statements from your children about the language use (home language, school language, multilingualism)? Which?
